

SHARING MOORAGE AGREEMENT

The undersigned moorage Licensee and The Harbor Marina, LLC dba Gig Harbor Marina and Boatyard (“GHMB”) enter into this Agreement concerning the sharing of guest moorage fee.

Whereas Licensee has entered into a Moorage License Agreement with GHMB dated _____.

Whereas Licensee intends to vacate the licensed slip for one or more days.

Whereas GHMB may be able to use the vacated slip for guest moorage while the Licensee’s boat is away from the slip.

Licensee and GHMB agree to enter into this moorage slip sharing program for their mutual benefit.

Licensee agrees to notify GHMB twenty four hours prior to departure from the slip and agrees to release the slip for the specific shared time period. Notification can be made using the “Notice of Shared Moorage Availability” form, included as Attachment 1 of this agreement.

If GHMB is able to fill the slip with a guest moorage boat, the Licensee will receive a credit of 50% of the guest moorage fee for each night that GHMB is able to fill the slip.

The Licensee agrees that if the slip is used for guest moorage, the Licensee will not be able to return to the slip during the agreed upon shared days and that the Licensee will have to moor and pay for guest moorage at the marina or find other moorage during the shared days.

Either party hereto may immediately terminate this sharing agreement so long as the termination does not occur during the specific days that the Licensee has vacated and released the slip.

In the event legal proceeding shall be initiated in order to enforce rights hereunder, the prevailing party in such proceedings shall be entitled to recover all of its reasonable attorneys’ fees and costs.

I have read, understand, and agree to these requirements for participation in the moorage slip sharing program.

DATED this ___ day of _____, 20__.

ATTACHMENT 1

NOTICE OF SHARED MOORAGE AVAILABILITY

The Licensee vessel owner gives notice that the Licensee will participate in the marina's shared moorage program during the following listed dates. The Licensee's vessel will be out of the slip from _____ (date and time out before noon) and return on _____ (date of return after noon). Slip number _____.

Licensee vessel owner understands that if the vessel returns before noon on the return date that the slip may be occupied and the vessel may need to be moored at the guest moorage area, if available, with the payment of the daily guest moorage fee. If guest moorage is not available, the Lessee will have to make other arrangement for moorage.
